

## Marine Physical Laboratory Summer Internship Program

The Marine Physical Laboratory (MPL) at world renowned Scripps Institution of Oceanography (SIO) seeks inquisitive motivated undergraduates with exceptional aptitude for quantitative science, majoring in engineering, physics, applied mathematics, chemistry, biology, geology and related majors.

Undergraduate college students contemplating a career in scientific research and development are encouraged to apply for a summer research internship in marine science and technology. This ten-week summer internship program offers qualified students the opportunity to work with some of the most notable scientists in the world while earning a modest salary. In addition to their research, students will attend weekly seminars given by members of MPL faculty and scientific staff and others.

### Eligibility

Applicant must be a US citizen or permanent resident currently enrolled as a 1st, 2nd or 3rd year undergraduate at a college or university. Senior year undergrads, former MPL interns and high school applicants are not eligible. Applicant must be at least 18 years of age as of the internship start date.

- ⊗ Summer intern salary \$16.30 / hour.
- ⊗ Each intern will receive a \$6,000 (taxable) stipend to defray the cost of lodging, meals, transportation.
- ⊗ Internship located at SIO in beautiful La Jolla, California.
- ⊗ Must be available to start in June and work the duration of the internship, 10 consecutive weeks from the start date.

### Application Procedure

- ⊗ Apply via the online application at <https://mpl.ucsd.edu/internships/>.
- ⊗ Complete all steps outlined to submit your application.
- ⊗ Applications due 4 pm Pacific time Friday January 13, 2023.
- ⊗ Decisions emailed to applicants by end of April 2023.

### Required Documents

- ⊗ Resume or CV
- ⊗ Statement of interest (limited to 200 words), including anticipated college graduation date
- ⊗ Academic records / unofficial transcripts
- ⊗ Two letters of recommendation from current or recent professors
