Need more help with Math?

The MLC is now offering

**Small Group Tutoring by Appointment:**

- Each session is one hour in length
- Availability is first come, first serve
- **Most** undergraduate math courses

Make your appointment today!

- Check TutorTrac (many appointments are listed here)
- email [mlc@sci.fau.edu](mailto:mlc@sci.fau.edu) or see the Tutoring Coordinator or Associate Director (for appointments not listed in TutorTrac)

---

**Small-Group Tutoring Policy**

Students can request small group tutoring appointments by emailing [mlc@sci.fau.edu](mailto:mlc@sci.fau.edu). Each session will be 50 minutes to one hour in length.

1. Students may make a MAXIMUM of two appointments per week. If this rule is violated in TutorTrac, the student will be notified and appointments in excess of two will be cancelled.
2. You must request an appointment AT LEAST three days in advance (for appointments NOT in TutorTrac).
3. Cancellation Policy: If you cannot make a scheduled appointment:
   - For appointments NOT in TutorTrac, please cancel by emailing [mlc@sci.fau.edu](mailto:mlc@sci.fau.edu) no less than 4 hours prior to your appointment.
   - For TutorTrac appointments, you can cancel your own appointment no less than two hours prior by logging into TutorTrac and clicking the X next to your appointment on your home screen.
4. No-Show Policy: Missing an appointment without cancelling is called a no-show. No-shows impact the tutors who anticipate your appointment as well as a student who could have been scheduled in the spot you missed. If, in one semester, you accumulate THREE no-shows, your ability to schedule small-group tutoring appointments will be suspended for the remainder of the term. If your privileges are suspended, you may continue to utilize the Math Learning Center, but on a walk-in basis only.
